This Amendment No. 1 (this "Amendment") amends and supplements the statement on Schedule 13D originally filed by Pfizer Inc. ("Pfizer") with the U.S. Securities and Exchange Commission on July 16, 2007 (the "Schedule 13D") and relates to the common stock, par value \$0.001 per share ("Common Stock"), of pSivida Corp. (the "Issuer"). This Amendment is being filed to update the percentage of Common Stock of the Issuer beneficially owned by Pfizer as a result of dilution due to equity issuances by the Issuer. Except as specifically provided herein, this Amendment does not modify any of the information previously reported on the Schedule 13D. Unless otherwise indicated, each capitalized term used but not defined herein shall have the meaning assigned to such term in the Schedule 13D.

### **Item 2. Identity and Background**

Item 2 is hereby amended and supplemented as follows:

This Amendment is filed on behalf of Pfizer, a Delaware corporation. Pfizer is a research-based, global pharmaceutical company. The principal address of Pfizer is 235 East 42nd Street, New York, New York 10017.

Set forth on Schedule A hereto, which is incorporated herein by reference, is the name, business address, principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted and citizenship of each of Pfizer's directors and executive officers.

During the past five years, neither Pfizer, nor, to its knowledge, any of Pfizer's directors or executive officers, has been (i) convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors), or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

### **Item 4. Purpose of the Transaction**

Item 4 is hereby amended and supplemented as follows:

Pfizer acquired the shares of Common Stock reported on this schedule for investment purposes, and such investment was made in Pfizer's ordinary course of business. In pursuing such investment purposes, Pfizer may further purchase, hold, vote, trade, dispose or otherwise deal in the Common Stock at times, and in such manner (including pursuant to hedging transactions), as it deems advisable to benefit from changes in market prices of the Common Stock, changes in the Issuer's operations, business strategy or prospects, or from a sale or merger of the Issuer. To evaluate such alternatives, Pfizer routinely will monitor the Issuer's operations, prospects, business development, management, competitive and strategic matters, capital structure, and prevailing market conditions, as well as alternative investment opportunities, Pfizer's liquidity requirements, and other investment considerations. Consistent with its investment research methods and evaluation criteria, Pfizer may discuss such matters with management or directors of the Issuer, other shareholders, industry analysts, existing or potential strategic partners or competitors, investment and financing professionals, sources of credit, and other investors. Such factors and discussions may materially affect, and result in, Pfizer modifying its ownership of the Common Stock, exchanging information with the Issuer pursuant to appropriate confidentiality or similar agreements, proposing changes in the Issuer's operations, governance or capitalization, or in proposing one or more of the other actions described in paragraphs (a) through (j) of Item 4 of Schedule 13D. Pfizer reserves the right to formulate other plans and/or make other proposals and take such actions with respect to its investment in the Issuer, including any

or all of the actions set forth in paragraphs (a) through (j) of Item 4 of Schedule 13D, or acquire additional Common Stock or dispose of all Common Stock held by it, in public market or privately negotiated transactions. Pfizer may at any time reconsider and change its plans or proposals relating to the foregoing.

**Item 5. Interest in Securities of the Issuer**

Item 5 is hereby amended and supplemented as follows:

- (a) The information set forth on the cover pages to this Amendment is incorporated herein by reference.
- (b) The information set forth on the cover pages to this Amendment is incorporated herein by reference.
- (c) Pfizer has not engaged in any transactions with respect to the Issuer’s Common Stock in the past 60 days.
- (d) Not applicable.
- (e) Not applicable.

Pursuant to a reincorporation from Australia to Delaware, United States effected by the Issuer in June 2008, Pfizer received one share of the Issuer’s common stock for every forty (40) ordinary shares held in pSivida Limited, the Issuer’s predecessor entity. Pfizer has not transacted in the Issuer’s or its predecessor’s equity securities since the filing of the Schedule 13D.

As a result primarily of offerings of Common Stock by the Issuer to certain institutional investors completed in January 2011, August 2012 and March 2014, and an underwritten public offering completed in July 2013, Pfizer’s ownership in the Issuer as reported on the Schedule 13D has been diluted.

The ownership percentage set forth in Row 11 of the cover page hereto has been calculated based on an assumed total of 29,412,365 shares of Common Stock outstanding as of February 3, 2015, as reported in the Issuer’s Quarterly Report on Form 10-Q for the quarter ended December 31, 2014.

**Signature**

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
